Hanex Early 2013 Launch

Winter Launch of Hanex's 8 Newest Products

Atlanta, GA - February 1, 2013 — Hanwha L&C | Surfaces, is excited to announce the launch in early 2013 of eight Hanex products to increase the product line to 69 items. Hanwha is putting great effort behind new and trending product development as they believe the year of 2013 will be a dynamic year of sales growth for Hanex. There is great collaboration between both design teams in the North American and Korean offices.

The eight products will be: Celadon, Helsinki, Metal Grey, Cumulus, Ivory Essence, Mono Vista, Basilica, and Epilogue. The colors have an undertone of subtle texture which; Hanwha's product development team created to appeal to all markets residentially and commercially. Hanwha Surfaces is putting emphasis on color and patterns in the year 2013 for both of their HanStone Quartz and Hanex Solid Surface product lines. Combining increased focus on design innovation with industry leading quality, Hanex Solid Surface is well positioned to deliver the needs of today's Residential Market.
